

# Once Upon a Time...Identifying Theme in Fairy Tales

## Checklist for Students

- Sit with your group at your assigned seats.
- Make sure you have all your materials: copies of the book, pencil, paper, rubric, and Chromebook
- Work together to read the text. Everyone will participate in reading.
- Look up any unknown words from the text in the online dictionary.
- Talk together to determine the theme of the fairytale. Everyone must agree for the theme to be final.
- Write a rough draft of the theme. This will be shared online.
- Get teacher approval of the written theme, before going on Storybird.com.
- Go to Storybird.com, log on using the password:RR7QR
- Select an image that represents your assigned fairytale. The image must be recognizable to a global audience as a representation of your fairytale.
- Place the image on the left or right side of your page.
- Save your work by clicking the save button in the lower left-hand side.
- Review your work on the rubric and fill out the Teacher Evaluation form.
