

12 Tips to Get Your Closet Organized and Ready for Spring

And How to Accessorize Your Closet for Spring

- ☐ Buy organizers (Ikea has great ones) to store things you want to keep but won't wear for awhile
- ☐ Invest in a full closet organizers with shelves to store shoes, bags, clothes, and your accessories
- ☐ Save cute boxes for storage and to brighten up and decorate your closet
- ☐ Sort through all your winter wear, if you didn't wear it over the winter, then donate it.
- ☐ Sort through all your spring wear, again if you didn't wear it last season, than donate it (unless it's new of course)
- ☐ Clean out the clutter in your closet. Use boxes, or save cute boxes that you received from gifts to put away anything that's not a clothing item
- ☐ Store your winter boots and display your spring shoes and sandals
- ☐ Store your winter wear away and pull out a few of your favorite hats and light scarves to display in your closet
- ☐ Pull out your spring staples and think about how you want to dress them up with new looks and accessories
- ☐ Switch your winter bag for one of your favorite oldies or shop for a spring handbag
- ☐ Look for places to donate your gently used clothes, you could even get discounts to shop new looks for spring
- ☐ Get spring look ideas from Pinterest and Instagram to find a few trendy accessories and a few new pieces to add to dress up your staple items
