12 Must-Haves for This Spring Season

Shop these trends and accessories to easily dress up your look this spring (and summer)

- [ ] Fitted Denim Shirt - use as a jacket, easily tie around your waist, and wear over dresses and t-shirts.
- [ ] Pom Poms! - so many cute things with poms! My favorite is a tote bag with poms, (which you can easily buy and add on to any bag).
- [ ] Bracelets - dramatic and dainty bracelets to create fun bracelet stacks.
- [ ] Mules - these shoes are so great for walking around and they go with everything.
- [ ] Studded Sandals - these sandals are perfect for summer and can really dress up any summer look.
- [ ] Spring Tote Bag - invest in a new fun handbag for spring.
- [ ] Tassel Earrings - tassel earrings are one of the hottest trends this spring season and they are so much fun.
- [ ] Army Green Jacket - super causal but look really cute with jeans, tees, and even maxi dresses.
- [ ] Stripes - I love a great black and white striped tee or dress.
- [ ] Layered Necklaces - these are great because they can dress up something as simple as a tee.
- [ ] Oversized Sunnies - shop for a few inexpensive pairs so you can mix and match for different looks.
- [ ] Fun Tees and Tanks - anything with a pineapple on it or a chic saying are my favorites.
