ISTE Standards Met

This is a list of the ISTE standards that the students will meet for my Re-Envisioning Instruction project

---

- Plan and employ effective research strategies to locate information and other resources for their intellectual or creative pursuits

- Curate information from digital sources using a variety of tools and methods to create collections of artifacts that demonstrate meaningful connections or conclusions

- Build knowledge by actively exploring real-world issues and problems, developing ideas and theories and pursuing answers and solutions.

- Choose the appropriate platforms and tools for meeting the desired objectives of their creation or communication.

- Create original works or responsibly repurpose or remix digital resources into new creations.

- Communicate complex ideas clearly and effectively by creating or using a variety of digital objects such as visualizations, models or simulations

- Contribute constructively to project teams, assuming various roles and responsibilities to work effectively toward a common goal.
