

# ISTE Standards Met

This is a list of the ISTE standards that the students will meet for my Re-Envisioning Instruction project

---

- Plan and employ effective research strategies to locate information and other resources for their intellectual or creative pursuits
- Curate information from digital sources using a variety of tools and methods to create collections of artifacts that demonstrate meaningful connections or conclusions
- Build knowledge by actively exploring real-world issues and problems, developing ideas and theories and pursuing answers and solutions.
- Choose the appropriate platforms and tools for meeting the desired objectives of their creation or communication.
- Create original works or responsibly repurpose or remix digital resources into new creations.
- Communicate complex ideas clearly and effectively by creating or using a variety of digital objects such as visualizations, models or simulations
- Contribute constructively to project teams, assuming various roles and responsibilities to work effectively toward a common goal.
