SparkHCF To-Do

- [ ] Fix All Errors in HCF and Hub
- [ ] Give me a list of permission nodes (So I can make perms)
- [ ] Edit the claim message for Roads and Spawn to be like this https://gyazo.com/e654f799af44b9e1434d46a40cf318de (Different colors tho)
- [ ] Cancel enderpearl sound when they are on cooldown (When spamming)
- [ ] Tell me how I can fix spawn claim, road claims, warzone claims, etc.
