How to Style a Cocktail Glass

Use this checklist to help you create a beautifully styled cocktail glass for your next cocktail party.

- [ ] Pick a theme for your cocktail party, tropical, elegant garden party, etc
- [ ] Use Pinterest to find at least two cocktail recipes that you like that also relate to your cocktail theme
- [ ] Decide what cocktail glasses you need, shop for really nice plastic ones so you have enough for your guests and for easy clean up https://goo.gl/x7EiJU
- [ ] Shop for colorful, sparkly, or glitter sugar for the rim of your cocktails https://goo.gl/LP1M4u
- [ ] Use pretty paper straws that you can easily cut down to fit your cocktail glasses https://goo.gl/9ePIjn
- [ ] Edible flowers look beautiful to decorate around or in your cocktails https://goo.gl/N3to5j
- [ ] You can also freeze flowers or fruit in ice trays to make pretty ice cubes for your drinks or to decorate the ice in your ice bucket
- [ ] Certain cocktails also look a lot better with crushed ice
- [ ] If making sangria use lots of different fruit for color and different favors
- [ ] Use cookie cutters to make fruit shapes
- [ ] Cocktail sticks are great for creating mini fruit kabobs for your drinks
- [ ] Garnish your cocktail with cotton candy for a fun cocktail look
- [ ] Add food coloring to create fun colors or to make a drink more vibrant.
- [ ] Or you could even set up a bar and let your guest create their own unique cocktails.
