How to Make Delicious Strawberry Lemonade Vodka Prosecco Popsicles

I love making this delicious recipe for the ladies when we get together. The recipe is so popular, I'm sharing it with the world. Enjoy and please share the love.

Ingredients

- A bottle of your favorite Prosecco. (love love love Lambrusco Prosecco)
- Popsicle Sticks (Great deal: https://goo.gl/cnwXJK)
- Fresh organic strawberries
- Vodka
- Popsicle molds (Try these: https://goo.gl/WLF34i)
- Wine glasses
- Strawberry lemonade

Instuctions

- Fill each mold with a spoon or two full of strawberries
- Mix strawberry lemonade with as much vodka as your heart desires
- Pour your strawberry vodka lemonade into each mold
- Add a popsicle stick to each mold
- Tip: Stick each popsicle stick directly into a strawberry so they stand straight
- Freeze for 6 hours

- Fill 1/3 of each wine glass with prosecco
- Remove your popsicles from molds and place into wine glasses (stick up)
- Serve and enjoy!
