

10 Must-Do Social Media Marketing Tips for Artists

Social media marketing is an inexpensive and effective way for artists to showcase, promote and sell their artwork and reach new audiences. Artists use many social channels to promote their art including Pinterest, Instagram, YouTube, and SnapChat. If you're a painter, photographer, writer, playwright, musician, fashion designer or other artistic field social media is ideal to feature your art.

- Optimize Your Website** It's not enough just to have a website: an artist's website must have an SEO strategy so that your website is found by people and search engines.

- Know Where Your Ideal Customer Lives Online.** Different demographics prefer different social media channels. Understand who is your current customer and your ideal customer.

- Blog** The easiest way to get ranked higher in search engines and create content to share on social media is to start and regularly update a blog.

- Post Photos and Video** Viewers prefer visuals to words on social media. Instead of announcing your new exhibit on your social channels post your announcement online with an image, link and text.

- Use Hashtags** that are popular with your ideal buyer on social media. Tag each post with #s that will bring attract that audience to your post. Instagram allows up to #s for each post!

- Consider Social Media Ads** Facebook, Pinterest, Instagram and other social media channels offer inexpensive ads which artists can use to promote and sell their art for as little as \$1/day.

- Be Social** on social media. Respond to everyone who Like or Comments on your post - even a simple thank you or emoji!

- Engage** on social media, don't just post. Interact with people: Comment, Share and Like other's art and posts to build online relationships.

- Carefully Craft Your Social Profiles.** Your profile photo, cover image and bio are vital to introduce yourself and establish your online brand and personality: so make it count!

- Understand Your Social Goals** If your goal is to sell art then post social media that showcases your artistry. Some artists have both personal and private social media to keep them separate.
