

9 Questions to ask Yourself in Order to Choose a Favorite Sports Team

Choosing your favorite sports teams can be super easy or super annoying. Start by answering these simple questions:

- ☐ What is your hometown team?
- ☐ Who is your favorite player or coach?
- ☐ What team did you grow up watching in the house?
- ☐ Is there a place you want to live one day? What is their team?
- ☐ If you like going to games, pick a team where you will be able to actually go see them play.
- ☐ You certainly don't need to choose a NBA, NFL, MLB, NHL or any other team all from the same state. Mix it up a little and have fun.
- ☐ How about your alma mater?
- ☐ Look at the mascot or team colors.
- ☐ Support the underdog.

The most important thing is to have fun. Don't be afraid to choose differently from your family and friends. Healthy competition builds character.
