Laundry

- Place yard Stick next to 765 Washer
- (If 7500 is not available) Set up Sump Pump Demo on 765 Washer, Deep Water Wash Fill Just BEFORE training begins. Drain and Fill before each session (washer drains after 3 hours with lid closed)
- (If 7500 is available) Set up Sump Pump on this model instead to demonstrate the water faucet.
- Hang Whirlpool Tshirt on Compact Laundry Stack Kit

General Set Up

- First Thing in the Morning, Verify internet working (we did not pay for internet on set up/tear down days)
- Verify Clicker is working, Place near projector
- Place 2 sets of balloons near projector and one set near entrance
- Place WOT poster on easel near entrance
- Empty candy into Candle Bowl provided in Prop Box to pass out for participation
- In the Morning - pull up email from Laurie Cook and set up SDR to check each attendee in

Make sure all product is Showroom Ready and plugged in (if possible)
