Move-in Walk-Through Checklist

Take as long as they will give you to turn in your move-in inspection checklist. You will not notice everything right away. A good community will give you at least 48 hours.

- [ ] Is the unit clean
- [ ] Run the water in all sinks, tubs, and shower
- [ ] Check for window screens
- [ ] Make sure all locks on windows and doors are working properly and have screens
- [ ] Are there cracks, chips, or burns in the countertops
- [ ] Flush the toilets
- [ ] Check floors, walls and ceilings for any evidence of mold or water damage
- [ ] Make sure all closet doors are on their tracks
- [ ] Make sure all appliances are working properly
- [ ] Are there any stains on the carpet

ALWAYS turn in your checklist to the management office, and most importantly, make a copy for yourself and don't lose it!
