

Move-in Walk-Through Checklist

Take as long as they will give you to turn in your move-in inspection checklist. You will not notice everything right away. A good community will give you at least 48 hours.

- | | |
|--|---|
| <input type="radio"/> Is the unit clean | <input type="radio"/> Flush the toilets |
| <input type="radio"/> Run the water in all sinks, tubs, and shower | <input type="radio"/> Check floors, walls and ceilings for any evidence of mold or water damage |
| <input type="radio"/> Check for window screens | <input type="radio"/> Make sure all closet doors are on their tracks |
| <input type="radio"/> Make sure all locks on windows and doors are working properly and have screens | <input type="radio"/> Make sure all appliances are working properly |
| <input type="radio"/> Are there cracks, chips, or burns in the countertops | <input type="radio"/> Are there any stains on the carpet |

ALWAYS turn in your checklist to the management office, and most importantly, make a copy for yourself and don't lose it!
