

# Easily Create Webinars with PLR

<https://saraduggan.me/webinars-with-plr-content/>

---

- Buy PLR
- Choose your topic from an article or short report
- Read the article
- Grab 3 - 5 talking points
- What questions can you answer?
- Organize your ideas + talking points (G-Docs + Drawing)
- Select a few images (Pixabay)
- Open Google Slides
- Select the "Title and Subtitle" layout
- Add your background image (or brand colors)
- Set your font and size (think branding elements)
- Prepare your slides and talking points
- Create your special download or offer (and landing page)
- Practice
- Host your webinar
- Follow @SaraAssistsYou on Twitter and Say HI. ^\_^
