What Questions should you ASK during a Job Interview

- [ ] What is the work environment like?
- [ ] What is my team or superior like? (If being interviewed by HR or someone else)
- [ ] What is the typical workload like during the week?
- [ ] With hard work, what sort of growth / advancement opportunities are available working here?
- [ ] Are there any improvements to the role I'm being interviewed for that I can bring to the table?
- [ ] What sorts of challenges / obstacles should I expect to see in the first few months after being hired?
