NAKA-KON 2018 PLANS

Oh, Naka! The con I can pretty much walk to from my house, haha!

- Friday AM: Winter Uniform You! You is my 3rd best girl, and her hair is my favorite since it's short...
- Friday PM: Cyber Maki, for the rave. It's gonna be lit...literally. I'm gonna light up the night!
- Saturday AM: Honoka cosplay with Angelic*Angels! The date and time is actually TBA, as well as the set. The group is leaning towards Cyber, but it's really expensive...and I already do Maki, ahaha.
- Saturday PM: Casual outfit Yoshiko
- Sunday: Funami Yui from YuruYuri in her panda kigurumi! My panda kigurumi is super soft and warm, so feel free to give me hugs!
- I'd love to do photoshoots for all of these but Yoshiko! I will ask Rye D'Ammu but if you know anyone else or if you yourself have something that works better with schedules, hmu!
