SAUSOMECON 2018 PLANS

Ahh, my first time at this con I've been wanting to go to for years!

- [ ] Friday: I'll be debuting a cosplay from Assassination Classroom...Okuda Manami! She's not a major character but she's my fave! If anyone wants to do an AssClass group, let's talk!
- [ ] Saturday AM: Initial SR Kanan
- [ ] Saturday PM: Date and Time actually TBA, as well as set. But I'll be doing a cosplay with A*A! Hopefully we'll have a panel!
- [ ] Sunday: Marine Nico, maybe with Elliot @guadetama as Nozomi? I'll talk to him about it, it sounds super fun. :) If we could get an Eli in on it...that'd be great!
- [ ] I'd love to have photoshoots for Kanan and Nico. If we can get a group together, for Manami too!
