Funeral Planning Guide

Choose a funeral home / director
Decide either a burial or cremation
Select the type of service (family viewing, private prayer, visitation, etc.)
Select someone you wish to officiate the service
Choose floral arrangements - inside vases, or standing pieces, on top of the casket, etc.
Prepare what you wish the deceased to wear (if buried in a casket)
Choose the desired casket/container
Prepare a written obituary
Notify close family & friends of the service
Prepare any information necessary to create the death certificate
