London Essentials

Okay so this is basically a check list of items for London Items that you definitely need have a:'*' next to them and are listed in RED. The rest are optional but probably for the best.

- [ ] Swimming Shorts* - We get anytime free access to the Versace designed Spa.
- [ ] Emergency cash* (for whatever circumstances you maybe in.. stolen card or something this allows you to get back to safety)
- [ ] Portable USB Charger (Will be extremely useful for the long days, you can find decent ones on amazon for a tenner but obviously check reviews)
- [ ] Smart Shoes* (So important, remember them! Whether they're loafers or oxfords we will need them due to dress code.)
- [ ] Smart Clothing: Bring Shirt, Tie & Suit trousers, or we won't get into skyliners. There's dry cleaning at our hotel so feel free to stuff into your travel bag.)
- [ ] Warm Coat* - Obvious one but you don't want to forget it and have to buy another..
