London Essentials

Okay so this is basically a check list of items for London Items that you definitely need have a:'*' next to them and are listed in RED. The rest are optional but probably for the best.

	Swimming Shorts* - We get anytime free access to the Versace designed Spa.
	Emergency cash* (for whatever circumstances you maybe in stolen card or something this allows you to get back to safety)
	Portable USB Charger (Will be extremely useful for the long days, you can find decent ones on amazon for a tenner but obviously check reviews)
	Smart Shoes* (So important, remember them! Whether they're loafers or oxfords we will need them due to dress code.)
	Smart Clothing: Bring Shirt, Tie & Suit trousers, or we won't get into skyliners. There's dry cleaning at our hotel so feel free to stuff into your travel bag.)
\bigcap	Warm Coat* - Obvious one but you don't want to forget it and have to buy another
