

The Home Buying Process

Know the basic steps to purchasing a home in Chicago or anywhere

- Contact an agent that will walk you through the transaction

- Get pre-approved for a mortgage

- Create your wish list for a home - Including deal breakers!

- Find your home with your agent

- Make an offer with appropriate contingencies

- Negotiate any counteroffers and terms of the agreement

- Take care of all loose ends from contract to close

- Close on your new home!

- Keep track of maintenance items in the home, rebuild your savings, and enjoy your new home!

- Keep track of maintenance items, rebuild your savings, and enjoy your new home!
