Checklist for Overseas Travel

Before traveling to another country, I always consult my travel checklist. Here are 8 essential things to do before traveling abroad.

- [ ] Get Visa Information
- [ ] Register with the nearest Embassy
- [ ] Travel Medical Insurance
- [ ] Required Travel Vaccinations
- [ ] Copies of Important Documents
- [ ] It's a good idea to join airline mileage programs to earn miles for all the flights you take
- [ ] Print out some currency conversion charts for the currency of the places you will be visiting.
- [ ] Print out common phrases for the language of the country I am visiting
