

2017 Digital Marketing Planning Checklist

2017 is around the corner and very soon it will be time to plan budgets and strategy for the new year.

Knowing this, I've created a handy ebook guide that helps you evaluate your 2016 marketing, discusses keys for 2017, and outlines all the details in a checklist you can follow to help you prepare your budgeting and strategy for next year.

2017 Digital Marketing Planning

- ☐ Review Website Stats for performance
- ☐ Run an audit of a competitor's website
- ☐ Is your website mobile friendly?
- ☐ Take a fresh look at your website for end user experience
- ☐ Run a website check to evaluate key site details
- ☐ Optimize Titles and Headlines
