

The Best Financial Books for Beginners

we'd discuss the best financial books for beginners. Paying off debt, saving for retirement, and managing your money in general can seem overly complicated and intimidating no matter what your age — but especially when you're a young professional — and these books use simple rules and straightforward concepts to educate people who are new to personal finance.

Here are six of the best financial books for beginners:

- ☐ Get a Financial Life: Personal Finance in Your Twenties and Thirties by Beth Kobliner (latest edition 2017)
- ☐ You Are a Badass at Making Money: Master the Mindset of Wealth by Jen Sincero (2017)
- ☐ You Need a Budget: The Proven System for Breaking the Paycheck-to-Paycheck Cycle, Getting Out of Debt, and Living the Life You Want by Jesse Mecham (latest edition 2017)
- ☐ The Financial Diet: A Total Beginner's Guide to Getting Good with Money by Chelsea Fagan (2018)
- ☐ I Will Teach You to Be Rich by Ramit Sethi (2009)
- ☐ The Total Money Makeover: Classic Edition: A Proven Plan for Financial Fitness by Dave Ramsey (latest edition 2013)
