From Netflix to Hulu, the best streaming sites for movies

So, movie fans, if you're serious about this whole staying-in thing and catching up on the latest releases, let us offer you a few non-Netflix and chill options for streaming movies online (although yes, Netflix is in there too).

- [ ] The best if you're looking for a wide selection: Amazon Prime
- [ ] The best for movies you love: Hulu
- [ ] The best for easy streaming: Netflix
- [ ] The best for popular movies: HBO Go / HBO Now
- [ ] The best for actually free movie viewing: Crackle
- [ ] The best for Hollywood films: iTunes
- [ ] The best for international appeal: YouTube
- [ ] The best for hidden gems: Popcornflix
- [ ] The best for free (with ads): Vudu
- [ ] The best for true cinephiles: Filmstruck
