Startup Business To-Do List: Where Do You Begin?

You've made the leap into starting a business. Now what? The business to-do list you have created looks huge and overwhelming, where do you start?

- [ ] 1. What will have the largest impact on my business?
- [ ] 2. What frees other people to get working on other tasks?
- [ ] 3. Which tasks are stopping me from working on others?
- [ ] 4. Do any have real deadlines?
- [ ] 5. What do I really not want to do?
