

9 Things To Do on a Long Haul Plane Flight to Cure Boredom

I travel a lot, and being cooped up on a plane is generally a big part of that. Many of the destinations I visit require 15+ hours of travel time to get to (my trip to Tanzania was the longest at a whopping 35 hours!) and people are always asking me how I handle the boredom of a long haul flight, especially when sleeping is nearly impossible for me.
