

Bike Cleaning

Supplies to clean your bicycle

- ☐ Degreaser - you apply this to the chain, gears, anywhere that is dirty really. BE CAREFUL NOT TO PUT ON BRAKES => **ESPECIALLY DISC BRAKES**
- ☐ Soft Sponge => this is nice to get
- ☐ Hot, soapy water => dish soap works great
- ☐ Brush => to brush down the rain, cassette, etc
- ☐ WD-40 => lets not be squeaky about it. Again, careful around disc brakes
- ☐ Dry Lube / Wet Lube => apply either for the conditions
- ☐ Isopropyl Alcohol (to clean disc bra
- ☐ Garden Hose => the easiest way to rinse off your best friend is with a hose
- ☐ Car/Mechanic towel => to dry off the bike
