A Pre-Match Volleyball Net System Checklist

At Sports Imports, we are passionate about supporting volleyball coaches before, during, and after their volleyball season. We make it a goal of ours to set coaches up for success before the season starts. To help with this process, we have created a pre-match volleyball net system checklist to go over before the officials enter the gym.

- [ ] Volleyball Floorplates and Sleeves
- [ ] If your Floorplates have been sealed after your gymnasium floor has been refinished, we recommend a box cutter knife to reopen your Floorplates
- [ ] Make sure your Floorplates and Sleeves are free from debris
- [ ] Contact your Regional Representative for assistance with floorplates, sleeves or adapter sleeves
- [ ] Volleyball Poles/Standards – Sports Imports Carbon, Steel or Aluminum Volleyball Poles
- [ ] Check your HDNR Ratchet
- [ ] Find your Crank Handle – CH2: Crank Handle for HDNR Ratchet
- [ ] Volleyball Net – HM50: Technora Indoor Volleyball Net
- [ ] Custom Pads and Top Net Tape
- [ ] TRNT: Tight Right Net Tension
- [ ] 6 Side Ties or 6 Velcro Side Straps
- [ ] 2 Net Locks – NL2: Net Locks
- [ ] 2 Net Lock Covers - NLC: Net Lock Covers
- [ ] 2 Antennae – NA2: Volleyball Net Antenna
- [ ] NC: Net Chain

- [ ] Volleyball Pole Padding – FP1: Tapered Indoor Volleyball Safety Pad
- [ ] Official Stand – PS1: Free Standing Official Stand, DE73: International Official Stand
- [ ] A complete set of Official Stand Padding
- [ ] Ball Carts – BC1: Ball Carts
- [ ] Check your basketball backboards,
- [ ] Volleyball Equipment Storage
