

The True Love Checklist

Here is a list of the important qualities included in a real True Love, a healthy and realistic model that can be a valuable measuring stick for your own relationships. How does yours measure up? Find out, right here

- ☐ 1. The most important ingredient in true love is individual growth. You will support each other's dreams and goals and allow room to change and grow.
- ☐ 2. Personal freedom for both people.
- ☐ 3. Good communication on all levels—verbal, energetic, emotional.
- ☐ 4. Individual space.
- ☐ 5. Responsible behavior toward yourself and the other.
- ☐ 6. Personal empowerment.
- ☐ 7. Affinity and friendship.
- ☐ 8. Compatible goals (but not necessarily the same goals).
- ☐ 9. Caring.
- ☐ 10. Bliss (at times).
- ☐ 11. Delight in one another.
- ☐ 12. An ability to say no, and to say yes.
- ☐ 13. Allowing the other to be negative as well as positive.
- ☐ 14. No coercion by either person.
- ☐ 15. The relationship is non-possessive.
- ☐ 16. Each person understands the basis of their attraction.

☐ 17. The relationship is based in truth, not fantasy.

☐ 18. Both people's needs are respected.
