Questions to Ask BEFORE launching startup or new business:

Thinking about launching a new business. Well, I'm on my third, and my advice would be to ask yourself 5 important questions before becoming an entrepreneur.

1	Are you passionate about this product?
2	Are you ready to sacrifice a comfy pay check?
3	Are you ready for criticism from friends and family?
4	Are you ready for emotional ups & downs?
5	Are you going to give this EVERYTHING you got?
