Petite Folks

Our passion lies in the documentation of precious moments before they're gone with focus on simplicity and emotions. Petite Folks is all about the childhood and the amazing world of little ones. Our style is inspired by nature, simple and timeless. https://petitefolks.com/

- [ ] Being a parent is one of life's most precious experiences. We want to savour those first few days, weeks, months and years, forever in our hearts and memories.
- [ ] Newborn photography session might be a perfect gift for a mother and her little newborn. Babies and Children grow so fast our only memory might be the album full of their pictures.

Maternity Photography

- [ ] When you're still pregnant with a proud baby bump. Recommended maternity session is between 32-36 weeks. Family members are welcome to be part of the session which is always fun for everyone.

Newborn Photography

- [ ] Capturing those first few sleepy days whilst your baby is a newborn. All photographs are produced in a very safe, gentle and comfortable environment.

Babies and Children Photography

- [ ] Children are such fun and the session will feel like a play session focused on pleasure. Before the session, I will spend time with your little one, to help him or her, feel comfortable and relaxed.

Birthday Cake Smash

- [ ] A private birthday party with cake to smash and eat. Then warm and cosy with more playtime in a fun bubble bath. Cake is provided. Please advise (in advance) any dietary requirements.

Lifecasting

- [ ] A magical sculpture that captures the size, shape and even the lines of your baby's hands and/or feet. A unique keepsake which is beautifully presented in a variety of colours.
