Teens Christmas Wishlist

What I want as a 13 year old

- [ ] **Fresh** skin care - Why wouldn't I want nice, dewy, clear skin?
- [ ] **Ipod** - Don't have money to throw away to data... and plus, I*need* music! Simple!
- [ ] **Rose gold wire cat** headphones - They are just sooo cute! And I need headphones to go with my new Ipod...
- [ ] **Mini** waffle maker - Perfect for saturdays and I'm not the only one who will be using it... so it's perfect for my mum too (we share a sweet tooth)
- [ ] **Electric blanket** - I hate periods and especially since I have an illness that lets period painssay hi any time they want... but an electric blanket would be my bestfriend (any girls bestfriend)
- [ ] **Bershka, Stradivarius** & **TKMax** gift cards - I just love clothes and FASHION! These are just my fave stores + TKMax has *great* designer shoes for less!
