

Teens Christmas Wishlist

What I want as a 13 year old

- ☐ **Fresh** skin care - Why wouldn't I want nice, dewy, clear skin?
- ☐ **Ipod** - Don't have money to throw away to data... and plus, *I need* music! Simple!
- ☐ **Rose gold wire cat** headphones - They are just sooo cute! And I need headphones to go with my new Ipod...
- ☐ **Mini** waffle maker - Perfect for Saturdays and I'm not the only one who will be using it... so it's perfect for my mum too (we share a sweet tooth)
- ☐ **Electric blanket** - I hate periods and especially since I have an illness that lets period pain say hi any time they want... but an electric blanket would be my bestfriend (any girls bestfriend)
- ☐ **Bershka, Stradivarius & TKMax** gift cards - I just love clothes and FASHION! These are just my fave stores + TKMax has *great* designer shoes for less!
