- Identify your target **market**.
- Choose your **offer**.
- Create a benefit driven **tagline** that demonstrates value, is relevant, and clear to the prospect.
- Write a description** that piques their interest by telling them about real results you've gotten for your clients, give them a little background on yourself, and tell them how to get in touch with you.
- Write a detailed **work history** of your past, relevant positions.
- Add a robust and descriptive **call to action** where it makes sense in your profile.
- Make a **list of your ideal prospects** based upon factors like company type and size, job title, and sub-niche or specialty.
- Make contact with your list of prospects and offer value.
- Stay active on the platform** by engaging with your prospects' posts, posting your own content, and actively trying to grow your personal brand.
