

The Power of Customer Reviews

Today's consumers want experiences: they want to build a relationship with a brand. Customer experience marketing (CX) using positive customer reviews can help you market and grow your small business - and negative reviews can help you identify problems and make changes to improve your business!

- 1 6 out of 10 customers look on Google My Business for reviews on a local business.
- 2 88% of people read reviews to determine the quality of a local business.
- 3 72% of consumers say positive reviews make them trust a local business.
- 4 Prospective customers will read an average of 10 online reviews before they feel they can trust a local business
- 5 88% of consumers trust online reviews as much as personal recommendations.
- 6 89% of prospective customers read the business owner's response to online reviews.
- 7 Reliability (27%), expertise (21%) & professionalism (18%) are the most important reputation traits for a local business.
- 8 A customer is likely to spend 31% more on a business with "excellent" reviews.
- 9 56% of customers complain about poor follow-up.
- 10 13% of customers will tell that experience with 15 or even more people and share that they are unhappy. On the other hand, 72% of customers will share a positive experience with 6 or more people.
- 11 80% of consumers expect a response within 24 hours of their online post.

Do you want more online reviews to help grow your business? Customer review tools are a great way to get and manage online reviews. Learn More:
