

Siteloft's moving home checklist

Read this before you make the big move!

- ✓ Find a good removalist. Try *Teneriffe Removalz*- they'll beat any quote by 10%.
- ✓ Collect your packing boxes. Don't forget the scissors and tape!
- ✓ Pack! This is the tough part. If you need, organise a skip bin or plan a garage sale well in advance of moving day.
- ✓ Pay your bills. Double check there aren't any outstanding bills or rates.
- ✓ Disconnect your power, internet, gas, electricity and water and organise for it to be connected at your next location. Give *HitchAssist* a call, they can help!
- ✓ Book your cleaners. A few local companies that do a great job are *1300 Clean, Spick & Span* and *Swept Away*.
