July 16, 2019 - 07/16/19

I am confident about this / I need to revisit this / I would like to do more work on this

- [ ] Logging into and navigating around the two workspaces in PBWorks
- [ ] Logging into my Triptico trial account and creating a Find Ten to introduce myself
- [ ] Creating a page, adding links and embedding code into my page
- [ ] Explaining the advantages of integrating technology in the classroom
- [ ] Giving an overview of different frameworks for integrating technology
- [ ] Explaining the main use of the following tools: Popplet, Classflow, Prezi, Hypersay, Jing, Screencastomatic etc.
- [ ] Explaining the difference between normal and interactive presentation tools
- [ ] Finding links about technology and ELT on PBWorks
- [ ] Finding support videos for various tools we use on the course
- [ ] Creating my own workspace in PBWorks
- [ ] Capturing an image, downloading it and then importing it into PBworks
- [ ] Uploading files (word, pdf, audio, etc.) into PBworks
- [ ] Creating a YouTube / Vimeo account
- [ ] Uploading a video to YouTube / Vimeo
- [ ] Adding a video to Flipgrid
