

Top 10 Best Odor Eliminators in 2019

This list is a compilation of our personal favorites, reader recommendations, and top sellers from the Facentials store to make a list for the 10 Best Odor Eliminators reviewed in 2019. You need all these products to target the bad odor. Read Here: <https://blog.facentials.com/odor-eliminator/>

- ☐ 1. Get a high quality air purifier like Medify MA-112 Medical Grade Air Purifier to eliminate odors in the house. This is Medical Grade. They use this in hospitals.
- ☐ 2. Use Rocco and Roxie Professional Strength Stain & Odor Eliminator to get rid of stains and bad smells from your whole house. You have to find the root cause of the foul odor.
- ☐ 3. For cats, get Purina Activated Charcoal Cat Litter Odor Eliminator. The activated charcoal will adsorb the bad odors without using any harsh chemicals.
- ☐ 4. Get Tosot 70 Pint Dehumidifier Odor Eliminator. You need to eliminate moisture from the house, bathroom, and basement areas. If you have excess moisture, you will get fungal & mold growth which will linger for a long time. That stuff also gets into your lungs and will complicate your breathing.
- ☐ 5. Get Bissell SpotBot Carpet Deep Cleaner Odor Eliminator. If you have carpets, you need to clean your carpets deeply. Better yet, if you have pets, it's best that you do not use carpets. Use tiles or some type of hardwood floor.
- ☐ 6. Get Active Wear Laundry Detergent Odor Eliminator. Your clothes stink. Doesn't matter what you use, they still stink. You need to use this laundry detergent. Life Changing.
- ☐ 7. Get Colin & Bella Activated Charcoal Purifying Bags Odor Eliminator. Put this purifying bag all over the house as it will draw out the moisture and eliminate foul odors 24/7. You gotta give time for this to work because it's not automatic.
- ☐ 8. Get Miracoal Organic Activated Charcoal Supplement Odor Eliminator. Use this supplement to get some activated charcoal in your digestive system. The activated charcoal is negatively charged which will bind with positively charged debris or fecal matter stuck to your intestinal walls. Consider a detox. If you work on cleaning your small and large intestines you will smell better as a person. Then follow up with clean healthy eating - just eating a supplement will NOT fix the root cause of your bad breathe, your bad farts, your nasty underarm smells.
- ☐ 9. Get Rockin' Green Active Wear Laundry Detergent Odor Eliminator. Start washing EVERYTHING. Your work clothes, your workout clothes, your towels, etc. Clean out your closets like Marie Kondo. Start recycling or donating things that you aren't even using. You need to wash everything top to bottom. Take everything out of the dang closet and clean it all. Wash it all. Then put them back.
- ☐ 10. Get HomeDo Cedar Hanger Rings Odor Eliminator. Keep your closets fresh using Cedar Wood. This product just hangs on the clothes hangers. Keeps everything fresh. Moths and bugs hate this smell so they stay away.
