9 Strategic Spots to Use Your Logo (That You're Probably Not Using Now!)

Your logo is your first opportunity to make a good impression and defines your brand. Entrepreneurs, salespeople and small businesses need to find creative (and inexpensive!) ways to promote your business and get your logo in front of people.

1. On Social Media Posts
2. Business Cards
3. On Your Laptop
4. Email Signature
5. Favicon
6. Gravatars
7. Brand Your Social Media Posts
8. Invoices and Receipts
9. Your Phone Case
