NAFTA TN Visa Application for Scientific Technician/Technologist: Document Checklist

Under NAFTA, a TN Professional Work Visa allows professional scientific technicians who are citizens of Canada or Mexico to get a United States temporary work visa to work for a U.S. employer in over 60 job categories. A TN visa is typically issued up to 3 years but can be renewed.

- Updated passport identification page
- Updated Resume/CV (including description of work experience and education)
- 2-3 reference letters attesting to your consulting activities/expertise
- 4 Copies of degrees, diplomas, certificates and transcripts. For this category you must have a 2 year diploma (at least) in a relevant field
- (5) Copy of job description
- 6 Copy of offer of employment / employment contracts
- Copies of any Professional Certificates
- Occuments for a degreed professional who you will be working with directly.
- Marriage certificate (if applicable)
- Your spouse's passport (if applicable)

Degreed Professional (such as an Engineer) Must Provide:

- 11 Passport Identification Page
- (12) Copy of document showing they have a degree
- 13 Professional membership to professional organization
