NOTES:

Root Abyss, and Nmag/CHorntail are used to reach Guild Points cap at 5000 points. Must be done with at least 1 party member or each boss will only be worth 100 points per kill.

Ranmaru kills drop Rebirth Flames for reflaming equipment. Hard ranmaru has a chance to drop Eternal Rebirth Flames. Chaos Pink Bean also has a chance to drop Rebirth and Eternal Rebirth Flames

Easy/Normal Cygnus, and Normal/Chaos Zakum also have a chance at dropping Rebirth flames. Normal Arkarium has a low chance to drop a Primal Essence used to craft the Meister Ring.

If you need money, Ursus is available 3 times a day for a total of around 90M meso

upon completions. Papulatus drops 8M per Normal clear, and has a chance to drop eye accessory for Transposing.

Weekly Dark World Tree and Scrap Yard are musts if you are looking for Absolab Gear. Pair these with a Damien and Lotus run to obtain coins to purchase the set.

Doing weekly Kiritias quests and invasions will net you coins to be able to purchase Tyrant equipment if you are interested in using them to transpose.

Kiritias invasions are a quick way to gather coins for tyrant equipment if the server participates in them. Yu Garden Dailies yield coins that you can buy epic potential scrolls with.

Hard Hilla runs are good to try to obtain Black Heart pets which last for 3 months.

These are a must if you are unwilling to spend NX for a pet.
