Checklist

If your website is being built by another company.

- [ ] Before signing your web contract, make sure the amount of pages on your website will be sufficient to cover your SEO campaign.
- [ ] Consult with us before your project manager confirms the structure of your website to ensure your future website remains SEO friendly.
- [ ] Ask your web development team to create a page template for every target page used for your SEO campaign.
- [ ] Let us know at least 2 weeks prior to launch so that we can take care of your SEO.
