Questions to ask a buyer's agent before hiring them

In the market to buy a home? Here's what you should ask a realtor before choosing them.

How many houses have you sold in the last 12 months? (pick someone you trust, but experience is important too).
How often will we be communicating?
Are you able to set up showings with little notice?
How will you handle a multiple offer situation if one arises?
Who do you recommend for a mortgage broker, attorney, inspector, contractor, etc.?
Can you explain the process of buying from start to finish?
What can you bring to the table that other agents can't?
What do you like about [insert city] most?
Do I owe you anything for your services?

Why do I need an agent anyway?
