9 Things to Remove From Your Résumé

One of the most important things to have when you're job hunting is a killer résumé. After all, if your CV doesn't pass muster, you won't even

- [ ] Middle and high school information
- [ ] Average or poor GPA
- [ ] Passive language
- [ ] Photos
- [ ] A series of short-lived jobs
- [ ] Objective statements
- [ ] Really obvious skills
- [ ] Any information that can cause discrimination
- [ ] More pages
