# Coronavirus: Workplace Health and Safety Considerations

On 11 March 2020 the World Health Organisation (WHO) officially declared the outbreak of COVID-19 a pandemic and, since that time, the public health emergency has continued to escalate in countries across the world, including in Australia.

- [ ] Employers Duty of Care
- [ ] Physical distancing
- [ ] Workplace cleanliness
- [ ] Watch for signs of stress
- [ ] Measures we can take
- [ ] Legal assistance
