

Plan an Effective Instagram Marketing Strategy

Switch to a Business Profile Instantly

- ☐ Your followers can contact you through instagram directly and you can access instagram insights to see the statistics on your post.
- ☐ If you want to generate sales and build your brand, increase your quality followers

Increase your Follower Base

Add Pictures to your Stories

- ☐ Brands use instagram stories to capture behind the scenes and can tag the accounts they are collaborating with

Post Content Daily

- ☐ Post content on a daily basis and keep your followers updated

Collaborate with Influencers

- ☐ Social influences help in promoting your band and encourage sales

Write Catchy Captions

Write compelling captions for every post and make use of popular hashtags
