7 Digital Etiquette Tips to Teach Your Kids

As kids start to develop their online presence, it's important for parents to lay the ground rules for exploring the internet and becoming a responsible user.

- [ ] 1. Think before you type
- [ ] 2. Keep personal info private
- [ ] 3. Be kind
- [ ] 4. Consider your audience in group chats
- [ ] 5. Respect other's wishes
- [ ] 6. Talk only to people you know
- [ ] 7. Don't ghost freiends
