

# 10 Reasons for High Dropout Rates in Online Learning Courses

E-learning is increasingly used by organizations as online courses are effective, affordable and can be accessed anytime, anywhere.

- ☐ 1. Lack of dedicated time allotted for online training
- ☐ 2. Lack of internal and external motivation
- ☐ 3. Browser compatibility issues
- ☐ 4. Poorly designed courses
- ☐ 5. Absence of support or guidance from instructors
- ☐ 6. Outdated content in the course
- ☐ 7. Improper communication to employees about their LMS account
- ☐ 8. Courses assigned indiscriminately irrespective of relevance
- ☐ 9. Course objectives not clearly specified
- ☐ 10. Course completion data not being updated
