

# The Only Packing Guide You'll Ever Need 2019

Here's your free Checklist. Use this to help you remember everything you would like to bring with you on your trip. You can check off items as you pack them, and check off the items you don't need. Hope you have a blast on your vacation and if this Guide helped you out please let us know in the comments :) [www.findingourtomorrow.com](http://www.findingourtomorrow.com)

## Beach & Poolside Fun

- |                                                          |                                                                        |
|----------------------------------------------------------|------------------------------------------------------------------------|
| <input type="radio"/> Beach Tote                         | <input type="radio"/> SPF                                              |
| <input type="radio"/> Before & After Tanning Lotion/Mist | <input type="radio"/> Sunglasses                                       |
| <input type="radio"/> Swim Suit                          | <input type="radio"/> Cover-Up                                         |
| <input type="radio"/> Flip Flops                         | <input type="radio"/> Hat                                              |
| <input type="radio"/> Travel Water Bottle                | <input type="radio"/> Collapsible Silicone Cups for Adult Beverages ;) |

## Essentials

- |                                                                                |                                            |
|--------------------------------------------------------------------------------|--------------------------------------------|
| <input type="radio"/> Your Favorite Outfits ( Athletic, Casual and Night life) | <input type="radio"/> Pajamas              |
| <input type="radio"/> Bras, Underware & Undergarments                          | <input type="radio"/> Shoes & Sandles      |
| <input type="radio"/> Socks                                                    | <input type="radio"/> Hats, Gloves, Scarfs |
| <input type="radio"/> Jewelry (Check Out Why I love Chloe and Isabelle)        |                                            |

## Toiletries

- |                                                                 |                                                       |
|-----------------------------------------------------------------|-------------------------------------------------------|
| <input type="radio"/> Shampoo, Conditioner & Lotion *           | <input type="radio"/> Body Wash & Soap                |
